

Project	Management Plan Speicherstadt and Kontorhaus District with Chilehaus / Nomination dossier Speicherstadt and Kontorhaus District with Chilehaus
Commissioned by	Free and Hanseatic City of Hamburg: Denkmalschutzamt / Kulturbehörde / scheuven + wachten, Dortmund
Execution	2015-2016
	<p>The project included the City of Hamburg nominated the ensemble Speicherstadt and Kontorhaus District with Chilehaus for the UNESCO World Heritage List. As part of the application, a management plan was needed to set out future objectives and conservation policies towards a sustainable development of the site. The management plan identified the areas of synergy and conflict as well as planning priorities. Parts of the nomination dossier were also provided. Hence, the management plan uses as a strategic tool to enable the preservation of the Outstanding Universal Value of the site.</p> <p>In addition to the definition of World Heritage property and the corresponding buffer zones, the catalog of measures and projects was developed in cooperation with the City of Hamburg, in order to link the preservation of the World Heritage Site with the city's other planning objectives and to ensure their compatibility with the UNESCO World Heritage List and Guidelines. Moreover, the management plan sets out the necessary structures for the coordination and administration of the future UNESCO World Heritage property.</p>
Co-worker	Michael Kloos (UNESCO Chair, Institute of Urban Development and Regional Planning)
Status / Result	Completed and published in 2013. Inscription of the site in the World Heritage List in 2015.
